NEW RULES (commencing in September, 2024)

The following rules have been approved for the 2024 volleyball provincials

- All matches will use the 12-sub unlimited rule with **1 or 2** liberos.
 - A team may designate different players as their liberos each set. The liberos do not serve.
- Girls and Boys teams may play the ball off the ceiling (including overhead obstructions) provided that the contact with the ceiling takes place above the floor within the court and free zone (head official to confirm free zone designation with host) and the ball does not cross into the opponents playing space immediately after contacting the ceiling or obstruction.
- The official game ball is the **Molten V5M5000 FLISTATEC Series**. The colour of the ball is irrelevant. However, when multiple balls are used within a match (3-ball system) all the balls must be of the same colour. For provincial championships, the same colour ball will be used for all matches.

All game scores, bracket updates and results will be updated on the official provincial championship website. Please check back regularly for updates and new information.

Berthing

- Each zone will receive one automatic berth. There is also one berth allocated to the tournament host.
- Three (3) berths will be allocated based on the percentage of active senior programs in each BCSS zone. **Berth allocations will be finalized following the team registration deadline (Oct 2nd).**
 - Teams must meet the minimum player registration on their STARS roster by the deadline date to be considered for zone berthing allocations.
 - Teams that register after the team registration deadline will remain eligible to qualify for a provincial championship berth.

- Inactive teams (teams that are not actively practicing and competing) will be removed from the berthing ratio calculations.
- The remaining three (3) berths are considered at-large berths and will be awarded to zones at the discretion of the seeding committee based on the strength of the zone.
 - Allocation of at-large berths will be communicated to zones and schools by November 8th (which will be prior to the commencement of zone championship tournaments).
 - If a zone is unable to fill its berths, the berths will go back into the total number of at-large berths available.
 - No zone will receive more than 4 berths (not including host berth) into the provincial championships.
 - It's important to note that at-large berths are allocated to zones rather than specific schools.
- If a zone does not fill their berth, it will be allocated to the at-large berth pool.
 - **Zones will need to confirm their intent to send teams to provincials Nov 1.**
